- **Protect our people**
- **Protect our information**
- **Protect our business**
- **Protect our assets**
- **Add value**
- **Mitigate risk**
- **Compliance**
- **Measure results**

Who Should Attend: Directors of Materials Management, Supply Chain/Resource Managers, Support Services Management, Compliance Officers and Corporate VP's of Supply Chain Management, OR Managers, Directors of Security.

About the Speaker:

James Murphy VP of Global Security

Jim joined the Kimberly-Clark team in January 2008. He brings a global business focus to the department, seeking to protect our people, information, business, and assets. Jim has a Bachelors degree in Accounting from the University of Scranton, and a J.D. from Delaware Law School. He began his career as a Special Agent with the FBI, concentrating in the areas of White Collar Crime and Public Corruption. Jim then moved into the private sector, and held security management positions with the Motion Picture Association, Merck Pharmaceuticals, Scholastic, and most recently Lexmark International.
