

## “NEWSLETTER”

April 2011

### President’s Address:

As the healthcare industry continues to evolve, traditional printed communications are changing at a rapid pace. Print on Demand, EMR, and Computerized Physician Order Entry have revolutionized how information is handled in the healthcare environment. This presentation focused on the role of the print industry to support those changes and the crucial importance of aligning with the Supply Chain team to identify all areas of print communication that can be assessed for cost saving and process improvement. Moving beyond traditional ink on paper can result in a higher leveraged spend, increased efficiencies throughout a health network and a positive collaborative effort between all print professionals servicing a healthcare system. Our presenter, Christine Smith is a print professional with 25 years experience in the healthcare managed print and distribution industry. She has held Account Executive positions with Relizon and RR Donnelley prior to joining WorkflowOne in August of 2010. Thank you for your continued support of HMMS-NJ.

- Receive up-to-date information on the latest healthcare supply chain trends, issues, and best practices.
- Learn from seasoned experts in the supply chain field.
- Network with colleagues from around the country and the world.
- View the latest marketplace solutions in AHRMM's ever-expanding exhibition.
- **Announcing the 2011 Chapter Affiliates**
- AHRMM is pleased to announce the results of the 2011 Chapter Affiliation Program. Affiliated chapters demonstrate a commitment to their members and the healthcare supply chain industry through education, chapter projects, advancement and recognition, and AHRMM involvement. Bronze, Silver, Gold, and Diamond Affiliates demonstrate exemplary commitment to these goals.
- The Affiliation Program continues to grow each year. In 2011 AHRMM is awarding a total of 37 chapters with affiliated status: one Diamond Affiliate, nine Gold Affiliates; nine Silver Affiliates; four Bronze Affiliates; and fourteen Standard Affiliates. Congratulations to the following AHRMM affiliated chapters for their achievements!
