

## “NEWSLETTER”

June 2010

### President’s Address:

It is with great sadness that I announce the sudden passing of John Brede. John had been President of the HMMS-NJ for the past 8 years and was also currently serving as a Regional Board Member for AHRMM. Under his guidance, the HMMS-NJ experienced unprecedented membership growth and expanded educational programs. Through his leadership, our organization achieved Gold Chapter status from AHRMM for two consecutive years. We will miss his passion as he pushed us towards success and we will miss his strength as he focused on the goals of our Society. But mostly, we will miss his quick smile and instant laugh. We will miss his words of comfort and his caring nature. We will miss his friendship.

In honor of his accomplishments and dedication to our organization, I am pleased to announce the renaming of our annual golf event to the HMMS-NJ John Brede Memorial Golf Outing. John believed that this event gave our members an opportunity to gather and enjoy each other as respected peers without the pressures of our professional commitments. I encourage everyone to make the time this coming September and join us in celebrating and remembering what this event is all about.

We encourage all of our members to attend our June 30<sup>th</sup> seminar: “Managed Print Services- What Does it Mean and What Should You Expect”, presented by Simon Vermooten, Executive Vice President, Auxilio Inc. and Lisa MacDonald, Senior Vice President of Operations, Auxilio, Inc. Auxilio is also sponsoring this program. Thank you all again for your continued support of HMMS-NJ.

Steve Faup  
President, HMMS-NJ
